

## Compact Manual

- High quality crank operated projection screen.
- The crank mechanism is easy to operate if the screen is mounted to the ceiling.
- Easy to mount to a wall or ceiling thanks to the Easy Install system.
- The case and the projection screen surface can be made to exactly the right size and the case and slat bar are available in any colour for optimal integration into any interior.
- The automatic stop employed when extending and retracting the projection screen surface guarantees a long life span.
- Aluminium crank with a folding handle which is 165 cm long.
