- Suitable for use with our range of snap in blocks and wall plates
- Dimensions: 15mm x 20mm
- 2 year warranty

The LINDY Modular AV Face Plate System allows you to create your own custom face plates by using a combination of Snap-in Blocks and Keystone modules. Fit this USB A to A Keystone into a Keystone Snap-in Block and place into a face plate along side other Keystone and Snap-in modules.

These modules provide a full range of solutions for AV, networking, voice and audio installations. The wide selection of modules and face plates can be custom configured giving you greater control and flexibility.

**Please Note:** The LINDY Modular AV Face Plate System must be used in conjunction with LINDY Keystone Snap-in Blocks and Face Plates. Place this Keystone into either a [Single Keystone Snap-in Blocks](#) or [Dual Keystone Snap-in Blocks](#) which come in packs of four. Then use with a [Single Gang Face Plate](#) or [Double Gang Face Plate](#).
