Extensa

- Projection screen for medium to large venue applications with a tab-tensioned projection surface for a perfectly flat viewing area. Available in widths from 4 to 6 metres.
- The Extensa is available with HD Progressive surfaces, the latest technology in projection surfaces designed for 4K and Ultra HD to maximize the technology of your projector.
- Robust case with a powerful motor.
- The projection screen is mounted to the wall and/or ceiling using three brackets which can be positioned flexibly. The brackets can be positioned up to one meter from each side.
- The motor is equipped with electric locks to prevent inadvertent unrolling and features thermal overload cut-off.
- The case and the projection screen surface can be made to exactly the right size and the case is available in any colour for optimal integration into any interior.
- The underside of the case is open as standard. A closed version can be supplied at additional cost.
