

## Heavy Duty Single Display Trolley Mount

No.: 40969

Mount a single display with source device & webcam to a mobile trolley stand

### Description

- Mounts a single 37" – 70" display to a professional mobile trolley mount
- Adjustable height and tilt settings to achieve the optimum viewing angle
- 90° rotation of the display for both portrait and landscape layouts
- Premium quality, secure shelving for a source device and web cam
- 2 year warranty

The Lindy Single Display Mount Trolley Stand is a professional, durable solution for mounting a single display which is easily transported between locations using heavy-duty casters that can be locked to keep the stand stationary.

With an adjustable VESA mount that can be fixed at a variety of heights, and tilted both forward and back, this stand provides a flexible and comfortable viewing experience for users in boardrooms or classrooms. Rotatable by 90°, displays can be configured to suit standard landscape or portrait layouts for engaging presentations or use at tradeshows. The 360° rotating wheels provide smooth mobility between locations, ensuring simple portable use with no requirement for repeated disassembly.

Supporting LFDs [Large Format Displays] with VESA sizes from 200x200mm to 600x400mm, this trolley provides secure mounting of larger LED, OLED and older plasma displays up to 70" in size. The high-quality steel structure ensures heavier displays up to 50kg [110.23lb] are supported. A removable and adjustable shelf is included allowing for placement of keyboards or source devices close to the display. The camera shelf at the top of the unit allows for the positioning of webcams for mobile video conferencing. All cables can be neatly concealed within the trolley stand's discreet cable management system, perfect for ensuring a tidy mounting solution.

Please note: Please confirm this solution can support the display's VESA mounting dimensions and weight before ordering

### Technical details

#### Functionality

- Minimum Supported Display Size: 37"
- Maximum Supported Display Size: 70"
- Maximum Supported Weight: 50kg [110.23lb]
- VESA Compliance: 200x200mm, 400x200mm, 300x300mm, 400x400mm, 600x400mm
- Tilt Adjustment: +5° ~ -12°
- Pivot Adjustment: -
- Rotation: 90°

- Screen Distance from Wall: -
- Cable Management: Yes

#### **Physical Properties**

- Dimensions: 828x700x2146mm [32.6x27.56x84.49in]
- Material: Steel
- Weight: 21.08kg [46.47lb]
- Colour: Silver

#### **Miscellaneous**

- Packaging Type: Carton Box
- Packaging Dimensions: 1136x530x245mm [44.72x20.87x9.65in]
- Gross Weight: 24.23kg [53.42lb]
- Warranty (Years): 2
- Certificated: REACH

#### **Package Content**

- Trolley Mount (Assembly Required)
- 2 x Display Brackets
- Device Shelf
- Camera Shelf
- Assembly Kit (Please see manual for all included parts)
- Lindy Manual
