

## ME 4 Clip-On Microphone

Small, universal clip-on microphone designed especially for speech in noisy environments. Its consistent pick-up pattern (cardioid) ensures high feedback rejection. The lightweight fastener on this subtly designed microphone with a matte black surface makes it easy to handle.

Mini jack plug for bodypack transmitters from evolution wireless series.

### FEATURES

- High speech intelligibility
- High feedback rejection
- Easy attachment on clothing

### PRODUCT VARIANTS

<b>ME 4</b>	Art. no. 508936
