

wetSuit VariCam 35/HS

Productname: camRade wetSuit VariCam 35/HS

SKU: CAM-WS-VARICAM35-HS EAN/UCC: 8718591671203

Resistant against:

Description

The camRade wetSuit VariCam 35/HS is a tailor-made rain cover that protects your camera against the elements. Made of a special water-resistant fabric with a soft lining, this flexible cover can be used for both the VariCam 35 and the VariCam HS.

The soft fabric lining minimalizes unwanted sound effects caused by wind and rain during operation. The cover also reduces the chance of the camera overheating by allowing hot air to escape via the breathable material over the vents of the camera. The carefully placed hoods prevents water from seeping into the cover.

The monitor is protected by a vinyl window which allows maximum visibility. The back of the cover can be opened and closed with hook and loop fasteners for easy access to the battery section.

This item is supplied in a waterproof pouch with zipper, which you can use for storage and transportation of the cover when not in active use.
