

DisplayPort 1.2 Upward Angled Adapter

No.: 41365

90° adapter with Male to Female connections

Description

- Connects a DisplayPort cable to a DisplayPort display or device with recessed ports or within limited spaces
- Install at a 90° angle for setup where connection is required in an upward configuration
- Supports DisplayPort 1.2 resolutions up to 4K UHD 3840x2160@60Hz 4:4:4 8bit
- Compact design, perfect for use in discreet or wall mounted display installations
- 10 year warranty

The Lindy DisplayPort 1.2 upward angled adapter is a compact solution for connecting DisplayPort cables to DP displays or devices with recessed ports, or within limited space where cable connector sizing may affect installation. This adapter allows for a 90° connection from ports that are situated at the bottom of a display, recessed within the housing and require a connection away from the display, or for an upward connection if ports are situated on the back of the display or PC.

With DisplayPort 1.2 support, this adapter can be used with DisplayPort 1.2 cables, devices and monitors while also being backwards compatible with previous DisplayPort specifications. 4K UHD 3840x2160@60Hz 4:4:4 8bit resolutions are supported by the adapter, ensuring this is an ideal tool within wall mounted digital signage installations, gaming setups or educational spaces, with no lasting impact on a connected cables strain relief or lifespan.

Please note: it is common for desktop PCs to have DP ports function in the opposite configuration. If this is applicable, please check whether this or the opposing adapter [41366] is required

Technical details

Specifications

- AV Interface: DisplayPort
- Interface Standard: DisplayPort 1.2
- Supported Bandwidth: 21.6Gbps
- Maximum Resolution:
3840x2160@60Hz 4:4:4 8bit
- HDCP Support: 1.4
- Supported Audio: Pass-through

Connectors

- Input: DisplayPort (Male)
- Output: DisplayPort (Female)

Physical Properties

- Dimensions (approx.) WxDxH: 28x23.4x19.9mm (1.1x0.92x0.78in)
- Housing Material: PVC
- Net Weight: 0.01kg (0.02lb)
- Operating Temperature: 5°C - 60°C (41°F - 140°F)
- Storage Temperature: -10°C - 75°C (14°F - 167°F)
- Humidity: 20 -75% RH (non-condensing)
- Colour: Black

Miscellaneous

- Packaging Type: Polybag
- Packaging Dimensions: 133x144mm (5.24x5.67in)
- Gross Weight: 0.021kg (0.05lb)
- Warranty (Years): 2
- Certificated: RoHS, REACH & California Proposition 65

Package Content

- DisplayPort Adapter
